

## 2015 MOMENTUM BY GRAND DESIGN

1. Drop-Frame gives **Largest Outside Storage** in the Toy Hauler market (50% more)
2. Triple 7,000lb axles (New as of Fall 2015) on 16-ply 16" E-rated tires (industry best)
3. Enclosed tanks with heat duct running directly to them - **wrapped with thermal insulation + heat pads** (roof/ floor/ front cap also wrapped!)
4. **6-point auto-leveling system** (6pt vs. 4pt takes stress off frame & slide-outs)
5. **Heated + Massage Vibration seats** (New for 2015)
6. **24"-tall checker-plating on toy room walls** ensures no toys will be able to leave tire scuff marks on the wall paneling
7. High-end **Paint-infused fiberglass cap** will not allow scratches to show
8. **18 cu. ft gas/elec Stainless steel fridge** now available for new models (competitors have 12 cu. ft or offer only Electric 110 fridge)
9. Aluminum-framed **sidewalls are 2.25" thick** - creates R-Value of 11. (competitors are 2" thick giving only R-9)
10. **Aluminum framework around every single sidewall opening!** Offers precision fit; maximum strength; & longevity

**NOT ALL RV BRANDS ARE CREATED EQUALLY...CHOOSE THE BEST.**
