

Paseo

SNEAK PEEK

WINNEBAGO
Touring Coach™

Take the Scenic Route

The all-new Winnebago® Paseo is a first of its kind Class B coach built on the world-renowned Ford® Transit Van chassis. It looks sharp, has a spacious interior, and boasts the power and fuel-economy of a Ford EcoBoost engine. The Paseo was consciously designed for a leisurely lifestyle while making the most of the available space. The rear third of the coach is completely transformable to your needs with the help of a specially-designed Flex Bed System that offers multiple sleeping and daytime configurations. Be one of the firsts to experience this fun, flexible, fuel-friendly Class B Paseo from Winnebago.

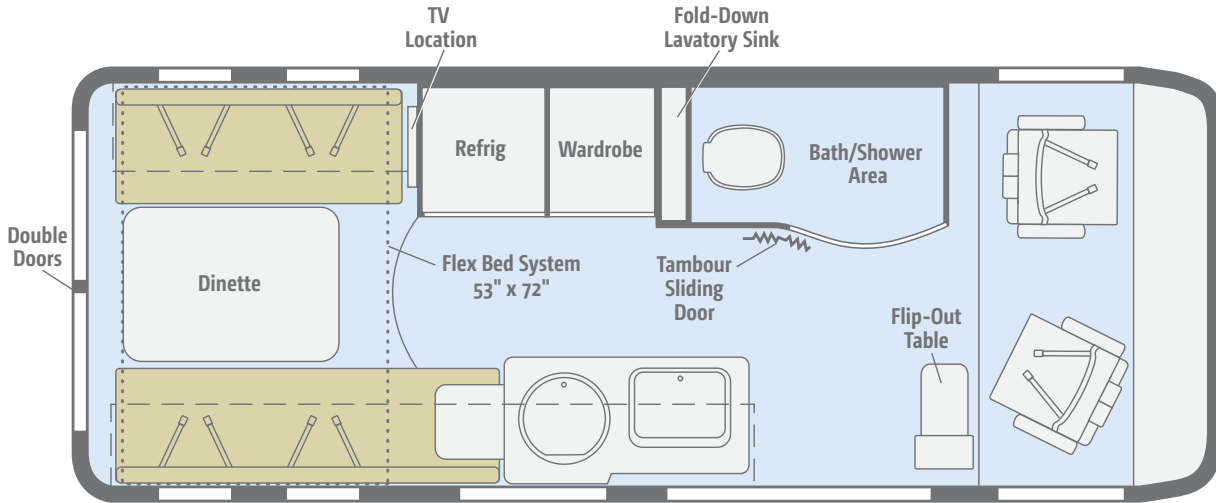

RECOGNIZED QUALITY

The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

Floorplans & Specifications

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas.

| Wheelbase | 148" |

* Quick Recovery Truma Combi™ water/coach heater system runs on LP and/or 110-volt electric (includes 2-950-watt heating elements)

¹ The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.

² Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

³ Capacities shown are tank manufacturer's listed water capacity (W.C.) Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

⁴ Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

Not all items available in combination. See dealer for details.

Winnebago's™ continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
