any budget.

SOLIS

QUALITY INNOVATION SERVICE

WINNEBAGO

On the Cover: Bright White Full-Body Paint
Interior: 59P Nomad with Murphy+ Bed

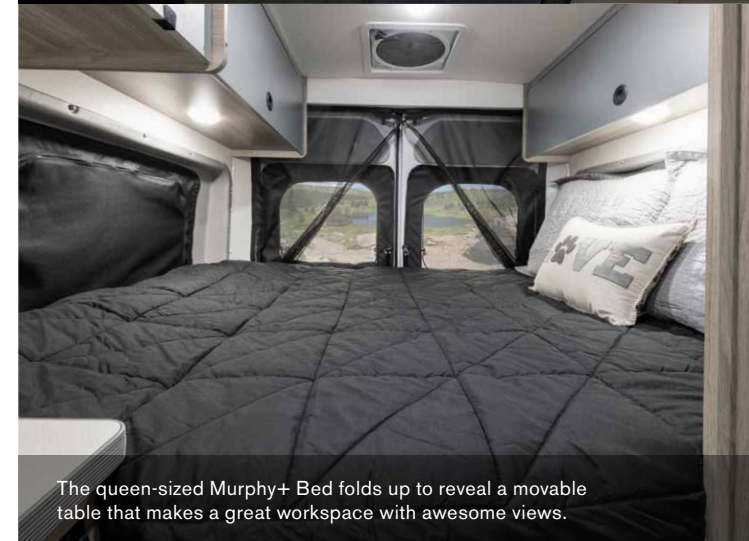

Designed for Adventure

Experience the all-new Solis™ a camper van designed to take you and your family wherever the road leads you. With room for four and all the comforts and conveniences of home, the Solis is practical, versatile and affordable – all in one easy-driving package.

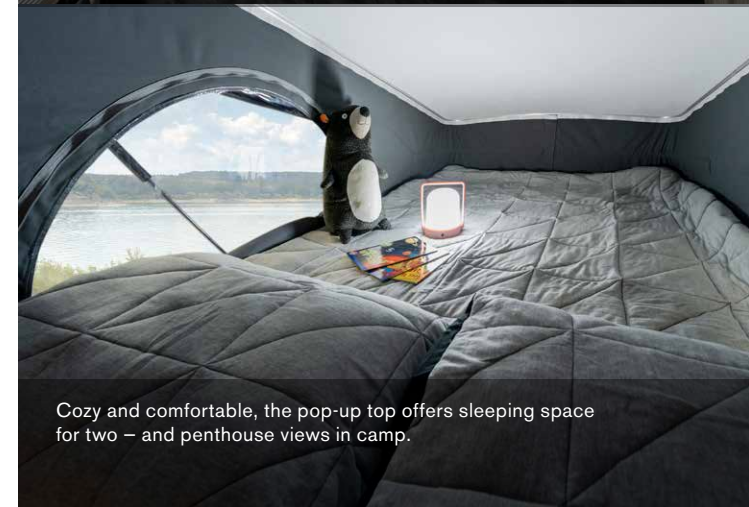

- **POP-UP TOP** Sleep closer to the stars with the easy-to-use molded fiberglass pop-top and FROLI® Sleep System built to comfortably sleep two.
- **PREMIUM INSULATION** Keep weather at bay and the sounds of the road out with ceiling-to-floor insulation, zipped air barrier window coverings, and interior coach waterlines.*
- **220-WATT FLEXIBLE SOLAR PANEL** Go off the grid and stay fueled. The one-panel system is fitted to the top of the pop-top roof for a sleek and unique look.
- **WATER, SIMPLIFIED** Features like dual exterior showers, cassette toilet, simplified water panel, easy-to-read freshwater tank sight glass with backlighting, and the Eco-Hot™ water system keep you on the go and stress-free.
- **FLEXIBLE SEATING OPTIONS** The dinette features automotive-grade seating with three-point belts for more secure travel. An optional sofa/bed (59P) provides comfortable seating for up to six as well as additional sleeping capacity.

The compact, functional galley includes an LP cooktop, countertop extension and compressor-driven refrigerator accessible from inside or outside the coach.

The queen-sized Murphy+ Bed folds up to reveal a movable table that makes a great workspace with awesome views.

Cozy and comfortable, the pop-up top offers sleeping space for two – and penthouse views in camp.

HowToSolis.com

A Quick Start Guide At Your Fingertips

What do you need to know before you go?
And how does that cassette toilet work again?

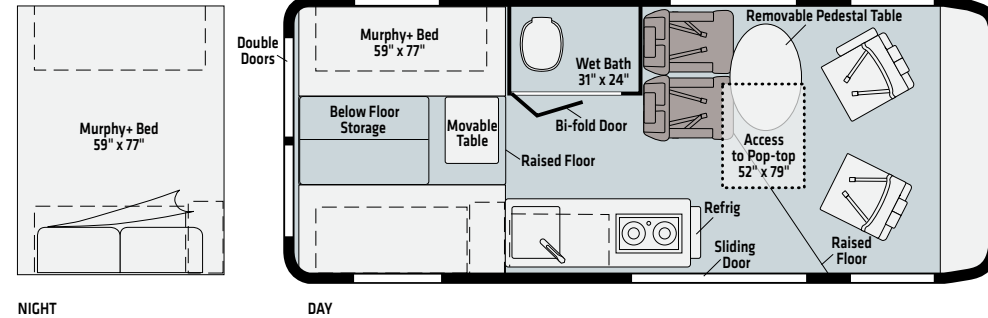

The answers to these and many more questions are literally at hand, thanks to HowToSolis.com, the app-based system of how-to videos that explains pretty much everything you need to know to get the most out of your Solis.

From adjusting seats and lowering (or raising) a bed, to operating major systems, plumbing and electrical basics, even winterization – it's all here. And it's all at your fingertips wherever your Solis takes you.

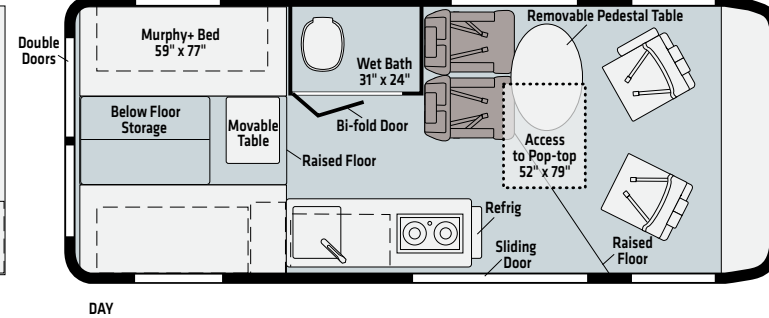

Scan the QR code with your smartphone camera, or type in the URL, to download the app and learn more about the Solis.
