- Maximum usability with SmartSpace™ design
- Flex Bed System (24V)
- MCD blackout roller shades
- Available Infotainment Center with Rand McNally RV GPS

On the Cover: 24J Carmine Full-Body Paint (with Available Cabover Bunk)
24J Moonstone Champagne

24J Linden with High-Gloss Marbella Cherry/Canvas Cabinetry

Quality Meets Economy

There is no contest—the Navion® continually overachieves in abundance of style and functionality in a nimble Class C motorhome. Built on the Mercedes-Benz® Sprinter chassis, all four floorplans offer unparalleled fuel economy and towing power. With sleeping configurations ranging from

an available cabover bunk to a queen bed to the twin bed Flex Bed System, you can easily accommodate family or friends. If Winnebago's® legendary SuperStructure® construction, Sprinter performance, and a host of luxurious amenities appeal to you, look no further than the Navion.

Recognized Quality The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service, and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

Best in Class

See how Winnebago takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Click on this icon throughout the brochure to link to more information on the web.

The available **Infotainment Center with Rand McNally RV GPS** features a touch screen color monitor, CD/DVD player, turn-by-turn voice navigation, rearview monitor, SiriusXM™ satellite radio (subscription not included), and much more.

During the day, enjoy meals at the **U-Shaped Dinette** and kick back with the footrests that flip up. At night, convert the dinette to a bed for a sleeping space for your guests.

The available **Cabover Bunk** with privacy curtains transforms your cab into a convenient second bedroom.

Choose the available powered **Skylight/Roof Vent** with sliding screen and pleated shade for control of your lighting.

Unwind while enjoying the coach stereo system or HDTV from your sofa/sleeper or U-shaped dinette with footrests (24J). Standard LED lighting reduces lighting energy consumption by up to 70 percent—dramatically cutting energy demand during extended dry camping trips. With standard MCD roller shades and a powered skylight/roof vent with a sliding screen and pleated shade, you can create your ideal lighting preferences.

2-Burner Range Top with Glass Cover

Full-Extension Drawer Slides

Refrigerator/Freezer

It's easy to cook in the versatile galley with amenities like the 2-burner range top with a flip-up glass cover that provides extra preparation space. Plus, with the interior upgrade package, you can have sink covers and a frosted acrylic galley backsplash with accent lighting.

Enjoy the comforts of the double bed in the 24J that flips up at the head of the bed, creating the perfect place to read, or watch your favorite movie on the available HDTV (24J, 24G, 24V). The 24G features a spacious bedroom slideout with a walk-around queen bed and storage on both sides. Enjoy the 1,000-watt inverter (with dedicated 110-volt outlet connection) for convenient use of power when shoreline power is not available.

Dash

You'll never want to stop driving when you're behind the wheel in these comfortable Primera cab seats. But when you do, the cab seats swivel to face the lounge, creating additional seating and increasing your living space. Convenient features such as a touchscreen radio with CD and MP3 input and the Rearview Monitor System make your cab experience enjoyable and safe. Choose the available Infotainment Center with Rand McNally RV GPS including SiriusXM™ satellite radio (subscription not included) for nonstop digital selections and expert trip guidance.

Pleated Windshield Blinds

Cab Seats

Enjoy the outdoors from the shaded comfort of the standard powered patio awning with LED lighting and metal wrap (full-body paint). Listen to your favorite music or podcasts with the exterior speaker system. The exterior service center with color-coded labeling makes for hassle-free hookups, and each model has storage compartments for all of your additional gear.

Fiberglass Roof The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Rubber Can't Cut It Rubber roofs used by competitors can streak and degrade over time.

Interlocking Joints Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

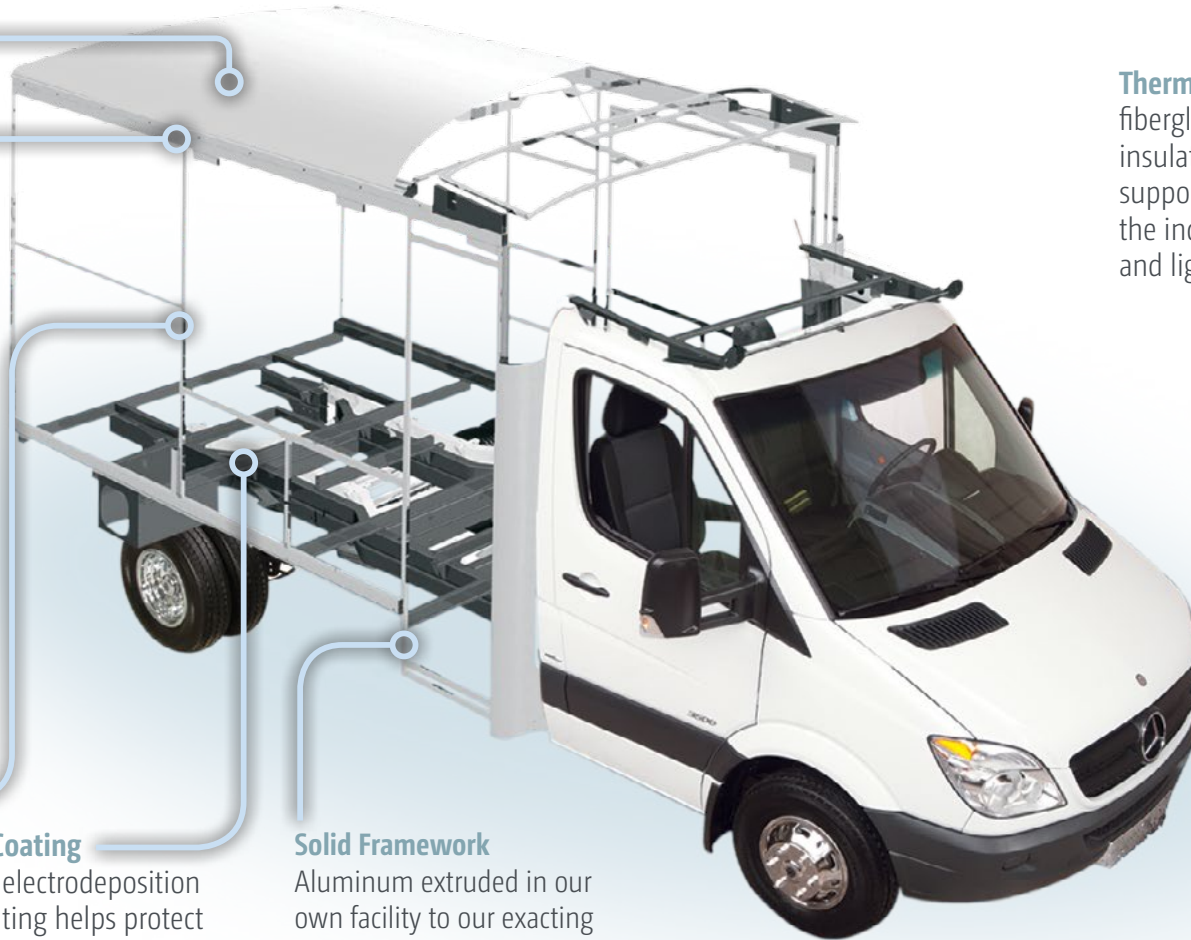

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

E-Coating An electrodeposition coating helps protect critical steel components.

Solid Framework Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

Thermo-Panel® Sidewalls By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

Laser-Cut Tubing Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

SUPER STRUCTURE®

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

SUPER STRUCTURE
BUILT TO LAST

Visit BetterBuiltRVs.com to gain real insight into what goes into a Winnebago motorhome.

TAKE A TOUR We're proud of our processes, state-of-the-art facilities, and the people who make Winnebago number one. We invite you to visit our complex in Forest City, Iowa, for a firsthand look at the dedication and technology behind every motorhome we build.

24G

This dual slideout boasts a sofa/sleeper or available L-shaped sectional dinette, along with a mid-coach bath and a roomy walk-around queen bed.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at Goltasca.com.

24J

Enjoy the comfort of the U-shaped dinette with footrests during the day, and convert to a bed at night, or retreat to the comfort of the rear corner bed.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at Goltasca.com.

24M

This large-slideout floorplan features a spacious interior with a sofa/sleeper, a BenchMark® full comfort dinette, and a rear bathroom with a wardrobe.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at Goltasca.com.

24V

Choose the standard sofa/sleeper or available L-shaped sectional dinette, and enjoy a variety of sleeping arrangements with the innovative Flex Bed System in this single-slideout floorplan.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at Goltasca.com.

Warranty⁶

12-month/15,000-mile basic limited warranty⁷

36-month/36,000-mile limited warranty on structure⁷

10-year limited parts-and-labor warranty on roof skin⁷

- ¹ The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please check with your dealer for further information.
- ² The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- ³ Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- ⁴ Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- ⁵ Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- ⁶ See separate chassis warranty.
- ⁷ See your dealer for complete warranty information.

NA Not Available

Not all items available in combination. See dealer for details.

Winnebago's* continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
