WINNEBAGO

From Everyday to Getaway.

The new Winnebago® Elora™ / Resa™ helps you make more memories, spend more time together, and turn everyday opportunities into unforgettable experiences.

Smart Space + Modern Design

- **Adaptable floorplan that sleeps up to four and seats six**, featuring a convertible lounge with lap seat belts and two three-point seat belts with child-seat tether anchors (19KC).
- **Multi-use rear gear garage area** that maximizes your space, transitioning seamlessly between lounging, dining, sleeping, or hauling gear modes.
- **Open, airy interiors with expansive windows** create a bright, connected living area with room to move and unwind.

Built-In Comfort + Everyday Functionality

- **Residential-inspired sleeping options** include a convertible lounge to queen bed and optional WinnSleep® power lift bed that create flexible seating and sleeping arrangements.
- **Modular rear gear storage area** adapts easily to accommodate bikes, boards, luggage, and other adventure essentials with up to 2,220 lbs. of cargo capacity.
- **Optimized storage solutions** include an over-the-cab gear deck, deep galley storage, and optional U-shaped overhead cabinets for easy access and everyday organization.
- **Space-efficient wet/dry bath** with a pivoting wall and cassette toilet maximizes functionality without compromising comfort or usability.

Easy Driving Meets Effortless Living

- **At only 20 feet long** with a narrow-body design, the Winnebago Elora / Resa makes driving, parking, and setting up feel refreshingly simple.
- **Chassis-fueled heating** supports extended travel without relying on LP for heat.
- **Integrated Winnebago Power systems** with EcoFlow® architecture and lithium capability simplify energy management.
- **Off-grid readiness** comes standard with solar power, lithium capability, and automotive alternator charging, plus an optional hybrid generator to help keep you powered wherever the road leads.
