# Tango

by  
Pacific  
Coachworks™

To become a Tango owner is to begin a new love for camping. Whichever model you choose, from a classic bunkhouse to a rear lounge or kitchen, each one offers a kaleidoscope of experiences. Spend a weekend at the Grand Canyon. Watch the sun setting off the Monterey coast. Take a family picnic in Banff national park. Or spend time just about anywhere with someone you love. Wherever you decide to take your Tango, go with peace of mind knowing you own one of the best built trailers available so when you return from your next trip, there will be only one thought in your mind: *Where will I Tango next?*

**LIVING ROOM** Designer color coordinated interiors and rich maple stain cabinetry featuring high quality brushed satin nickel hardware. With a full 6'9" interior height and up to 12' of wall-to-wall super slideout interior width you can truly stretch your arms and relax in the luxurious spaciousness of a Tango.

**KITCHEN** Plywood counters with water proof solid surface edging provide extensive working areas impervious to water spills and trapped food particles for a longer lasting and high integrity counter. The Tango features numerous cabinets and full extension drawers for incredible storage and utility. Finally, a kitchen that's designed for your needs.

**FRONT BEDROOM** Walkaround 60"x74" innerspring queen mattress, his and her wardrobes and halogen reading lights.

Tango exclusive full extension utility drawer with Rubbermaid™ 21 liter trashcan.

**BATHROOM** Residential sized and height sink, porcelain foot flush toilet, and hand crafted medicine cabinet.

Marine industry Sequoia™ twist locking table legs.

Pocket screwed hardwood lumbercore faceframe residential cabinetry

Numerous windows and overhead skylight for refreshing natural light and cross ventilation.

Rear lounge euro-style leather recliners, matching ottoman, and dual overhead halogen reading lights

Up to 13 full extension drawers with close latching catches and metal ball bearing drawer guides.

# We mean it when we say “Enjoy the great outdoors.”

Rediscover what it means to camp with the freedom of a Tango Outdoor Kitchen Slideout. With the push of a button, transform your patio into a full feature kitchen and extended living room with nothing overhead but the canopy of majestic redwoods. Now *this* is getting back to what camping is all about.

# OUTDOOR KITCHEN SLIDEOUT

## TANGO EXCLUSIVE\* OPTION

# CONSTRUCTION FEATURES

1. Powder coated steel I-beam chassis, camber engineered for a true and level floor with the weight of the trailer.
2. Four heavy duty stabilizer jacks welded directly to the I-beam chassis.
3. Dual EZ-Lube™ axles with leaf spring suspensions.
4. 15" rust proof aluminum wheels with lifetime structural guarantee.
5. Goodyear™ radial tires specifically designed to make trailer towing easier, more stable and more economical. Delivers dependable highway stability, positive traction, long lasting wear, and pro-rated 6-year warranty serviceable at any Goodyear™ tire retailer across the US or Canada.
6. A full size matching spare aluminum wheel, Goodyear™ tire, plus carrier.
7. R11 roof and R11 floor insulation.
8. An Astro-Foil™ underbelly completely encloses all tanks and valves for increased aerodynamics and road debris protection. The enclosed area is heated with ducted heat from the furnace.
9. Seamless roto-cast plastic holding tanks are corrosion proof and not susceptible to leaking seams in fitted tanks. The fresh water tank is specially designed in a donut shape to add extra baffling against sloshing and structurally strengthen the tank against sagging.
10. In-floor ducted Suburban™ 30,000BTUH furnace for even heat distribution.
11. The seamless one-piece 5/8" OSB floor decking is completely glued with a sub-floor adhesive then screwed to the 2x3 floor joists for a squeak free floor.
12. Residential high traffic linoleum is laid out completely to the edges of the floor. The walls are then placed directly on top of the linoleum preventing any roll up.

13. Fully welded tubular aluminum sidewall framework with wood stud inserts for improved fastener retention into the aluminum.
14. High-density polystyrene block foam, hot wire precision cut for gap free and sag-proof insulation.
15. Galvanized steel backing strips for robust fastener retention in the walls.
16. Luan plywood.
17. Durable G-III gelcoat fiberglass featuring an advanced resin system engineered to be scratch and abrasion resistant withstanding dents, dings, mold and mildew.
18. The Tango Centrex™ plastic front cap is engineered for aerodynamics while remaining resilient and flexible. With a free-floating design, the front cap is held in place by fasteners secured over perimeter tabs on the cap and not directly screwed. By eliminating screws in the cap, the Centrex™ eliminates splitting or cracking caused by fluctuating temperatures and flexing. Go ahead, give the front cap a hit with a bat and feel how it bounces right back!
19. Full coverage 3M™ graphics chosen to match the most popular tow vehicle colors.
20. Dark tinted clamp-ring safety glass windows help protect your interior fabrics and help provide efficient climate controlling. Rubber D-bulb perimeter seals create an ooze-proof seal.
21. Residential style 5" crowned bow truss roof rafters with 3/8" OSB decking.
22. Fully ducted Duo-Therm 13,500BTU air conditioning for even cooling. Optional 15,000BTU air conditioner available.
23. Seamless one piece EPDM rubber roof with 12 year limited warranty.
24. Molded ABS propane cover and dual 30 lb. propane tanks with automatic regulator.
25. Unobstructed pass through storage with heavy duty full thickness baggage doors.
26. Full coverage A&E™ electric awning with adjustable pitch rain dump arms.

# 224RB

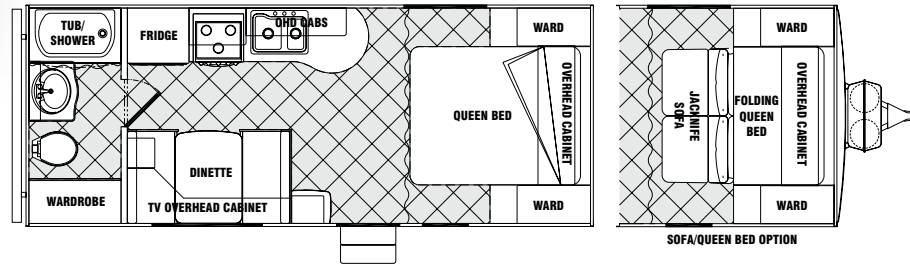

Lightweight with rear bath

AVAILABLE AS  
**KSO MODEL** p.6

### SPECIFICATIONS

Overall Length	23' 11"
Overall Height	10' 8"
Overall Width	8'
Hitch Weight	520 lbs
Total Dry Weight	4,500 lbs
GVWR	7,000 lbs
Payload	2,500 lbs
Fresh Water Capacity	50 gallons
Gray Tank Capacity	30 gallons
Black Tank Capacity	30 gallons
Sleeping Capacity	4 people
Sleeping Areas	2

The 224RB is the lightest and most compact full feature Tango weighing only 4,500 pounds and measuring 23'11" from the rear bumper to the hitch. You'll fall in love with the spacious rear bathroom featuring a residential height and sized washbowl, residential foot flush porcelain toilet, and doublewide wardrobe with incredible storage space. Need an additional place to sit in the living room? An optional jacknife sofa and folding queen mattress package lets you transform your bed area into a comfortable love seat for two.

Other rear bath considerations include the rear bath 246RB (p.10) with a permanent sofa and the rear bath 276RBS (p.13) featuring sofa slideout opposite the dinette.

# 246RB

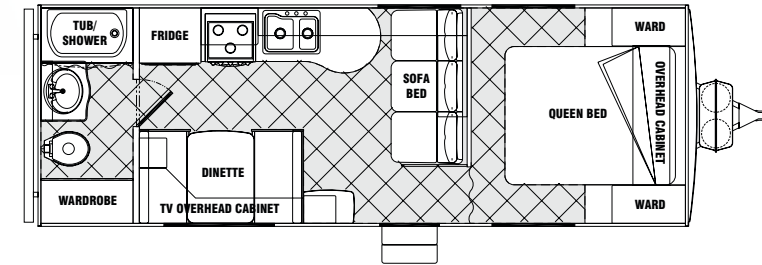

Mid-sized with spacious rear bath

AVAILABLE AS  
**KSO MODEL** p.6

### SPECIFICATIONS

Overall Length	26' 11"
Overall Height	10' 8"
Overall Width	8'
Hitch Weight	640 lbs
Total Dry Weight	4,960 lbs
GVWR	7,000 lbs
Payload	2,040 lbs
Fresh Water Capacity	50 gallons
Gray Tank Capacity	30 gallons
Black Tank Capacity	30 gallons
Sleeping Capacity	6 people
Sleeping Areas	3

The 246RB offers all the Tango comfort and features in a practical mid-sized package with a full sized bathroom, separate front bedroom, and permanent overstuffed sofa. Enjoy a residential all enclosed rear bathroom featuring a standard height and large washbowl, a doublewide bathroom wardrobe with incredible storage space, and stain resistant foot flush porcelain toilet.

Other considerations include the similar 276RBS (p.13) with a sofa slideout, the 256RKS (p.11) with rear kitchen, the 286RBSS (p.14) featuring a spacious living room flush-floor super slideout, and the lightest Tango featuring a rear bath, the 224RB (p.9).

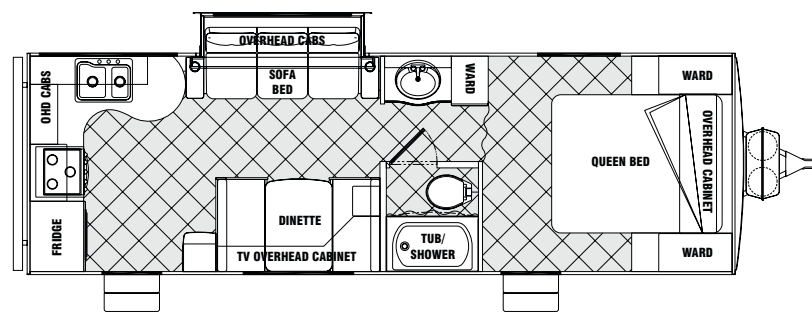

# 256RKS

Classic rear kitchen with sofa slideout

## SPECIFICATIONS

Overall Length	29' 0"
Overall Height	10' 8"
Overall Width	8'
Hitch Weight	520 lbs
Total Dry Weight	5,500 lbs
GVWR	7,400 lbs
Payload	1,900 lbs
Fresh Water Capacity	50 gallons
Gray Tank Capacity	45 gallons
Black Tank Capacity	30 gallons
Sleeping Capacity	6 people
Sleeping Areas	3

The Tango 256RKS has redesigned and refocused the classic rear kitchen layout into this popular floorplan. The Tango L-shaped rear kitchen provides extensive counter space extending out over the signature trashcan utility drawer for a quick and easy clean up in one sweep of the arm. The sofa slideout is conveniently located directly across from the dinette for a great conversation area. Distanced from the rest of the trailer by a mid-bath and solid sliding door, the front bedroom with walk around queen bed features a private entry and exit door.

Other rear bath considerations include the 276RBS (p.13) with a rear bathroom and sofa slideout and the spacious 286RBSS (p.14) featuring a rear bathroom and a flush floor super slideout.

# 257BH

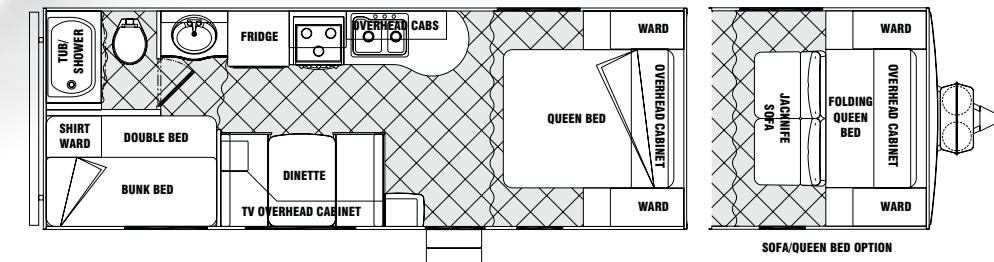

Lightweight bunkhouse

AVAILABLE AS  
**KSO MODEL** p.6

## SPECIFICATIONS

Overall Length	26' 8"
Overall Height	10' 8"
Overall Width	8'
Hitch Weight	580 lbs
Total Dry Weight	4,840 lbs
GVWR	7,000 lbs
Payload	2,160 lbs
Fresh Water Capacity	50 gallons
Gray Tank Capacity	30 gallons
Black Tank Capacity	30 gallons
Sleeping Capacity	7 people
Sleeping Areas	4

Perfect for weekend getaways and quick trips with the family and friends, the lightweight 257BH bunkhouse is compact yet comfortably accommodating with permanent beds for five and total sleeping arrangements for seven people. Clean up is easy whether you're rinsing off with the outdoor hot/cold shower after a fun filled day at the lake or sweeping the full coverage linoleum after a trip to the beach. Need a place for the kids to sit? With the optional jackknife sofa and folding queen mattress, transform the master bed into a couch in seconds.

Other family bunk house considerations include the 289BH (p.15) with a permanent sofa and the 299BHS (p.16) featuring a sofa slideout positioned directly across from the dinette.

# 276RBS

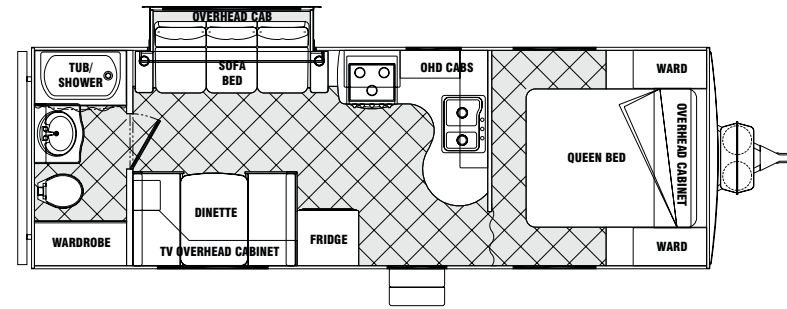

Rear bath with sofa slideout

AVAILABLE AS  
**KSO MODEL** p.6

## SPECIFICATIONS

Overall Length	27' 11"
Overall Height	10' 8"
Overall Width	8'
Hitch Weight	660 lbs
Total Dry Weight	5,380 lbs
GVWR	7,400 lbs
Payload	2,020 lbs
Fresh Water Capacity	50 gallons
Gray Tank Capacity	45 gallons
Black Tank Capacity	30 gallons
Sleeping Capacity	6 people
Sleeping Areas	3

This is a great half-ton towable mid-sized floorplan for couples and smaller families who prefer an all inclusive trailer. A similar floorplan to its smaller sister the 266RB, the 276RBS expands on the main Tango rear bath comforts and rearranges the main living area for a sofa and dinette conversation area and an extended countertop L-shaped kitchen.

Other Tango considerations include the lighter 246RB (p.10) without a sofa slideout, the 286RBSS (p.14) with a spacious living room flush floor super slideout, and the rear kitchen 256RKS (p.11) with dual entry doors.

# 286RBSS

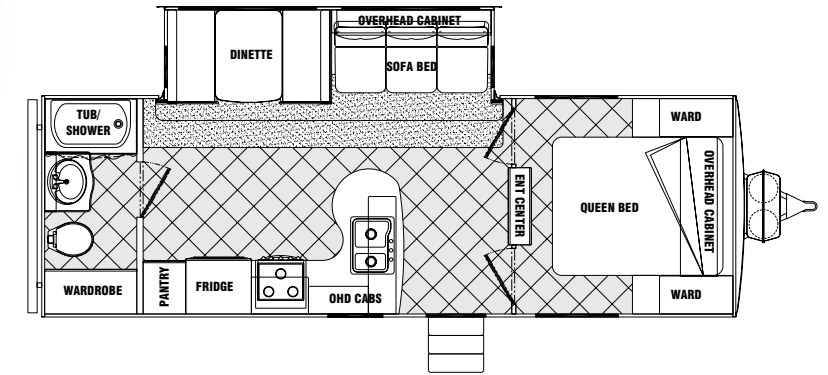

Rear bath with super slideout

AVAILABLE AS  
**KSO MODEL** p.6

## SPECIFICATIONS

Overall Length	28' 6"
Overall Height	11' 2"
Overall Width	8'
Hitch Weight	740 lbs
Total Dry Weight	6,520 lbs
GVWR	10,000 lbs
Payload	3,480 lbs
Fresh Water Capacity	50 gallons
Gray Tank Capacity	45 gallons
Black Tank Capacity	30 gallons
Sleeping Capacity	6 people
Sleeping Areas	3

The Tango 286RBSS further expands on the 276RBS's floorplan setting new standards in comfort and liveability. A double wide and deep super slideout allows for a spacious and open living room area providing room for a three sided working kitchen counter and dual solid bedroom doors. There is abundant storage included in the double width bathroom wardrobe in addition to the dual front bedroom wardrobes and an almost two foot deep floor to ceiling kitchen pantry.

Other Tango considerations include the 306RLSS (p.17) featuring a rear windowed lounge and super slideout, the 276RBS (p.13) with a sofa slideout, and the 256RKS (p.11) with dual entry doors, mid-bath, and rear kitchen.

**Pacific Coachworks strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:**

- Pacific Coachworks dealerships are independently owned and operated businesses. They are not contractually obligated to perform warranty service on Pacific Coachworks products that were purchased elsewhere. There could be a situation that would require your trailer be returned to the point of purchase to satisfy warranty requirements.
- Although many dealerships will eventually service products not purchased at their place of business, they generally give preference to their customers and to Pacific Coachworks customers who are in transit.
- The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation.
- For our Canadian customers, there are also requirements which must be met to bring home an RV purchased out of country. These requirements involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

**Pacific  
Coachworks™**

**ALL TRAILERS BY PACIFIC COACHWORKS ARE DELIVERED WITH A 12 MONTH WARRANTY. PLEASE NOTE FOR ALL TRAILERS:**

Any modifications done on the vehicle by a non-authorized dealer or garage puts at risk your personal safety and loss of the Pacific Coachworks warranty. Any repairs, retro-fittings or upgrades must be executed by an authorized Pacific Coachworks dealer.

Dimensions and weight data may vary +/-5% due to tolerances of the natural raw materials used.
