SPRINGDALE

**Travel in comfort,
Enjoy the trip,
It's a way of life...**

This Springdale 267 travel trailer, shown here in our Meadow interior, is a great example of Springdale innovation. With a left and right entry into the bedroom (sliding doors are shown open), we can provide you with an island queen bed in a shorter, lighter-weight floor plan.

In addition, there is an angled kitchen with a flip-up countertop across from a spacious dinette and sofa super-slide. At the rear, the 267 features a bunk bedroom to round out your sleeping accommodations.

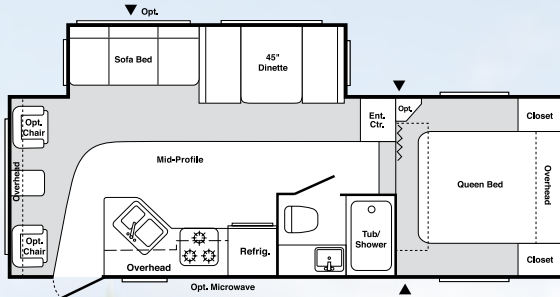

This skylight over the tub/shower area is now available on all Springdale models. In addition to providing natural light in the bath area, this feature increases the overall head room in the shower (shown here with optional tub surround).

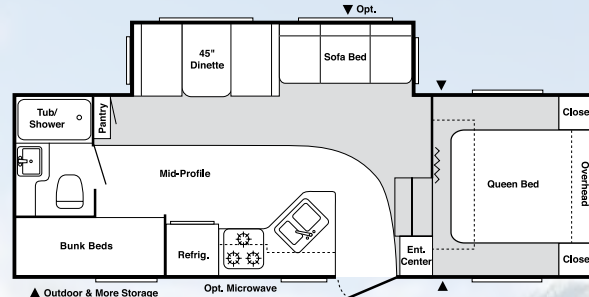

This stylish sofa-sleeper, shown here in Carmel, features a deep-channel, shell-pattern, camel-back design. Steel-reinforced cushions in the seat and back ensure increased comfort and durability. The Springdale sofa-sleeper provides fashion, comfort and quality uncommon in an RV at this price point. Bun-shaped feet complete this inviting, residential look.
