HIGH-PERFORMANCE AIR FLOW SYSTEM

BLADE™ HIGH PERFORMANCE AIR HANDLING SYSTEMS

Engineered to maximize the output from today's high-performance RV air conditioners, Keystone's NEW patented air handling system delivers an average of 20% more cooling power and is built to withstand the rigors of the road. The Blade™ system is designed to accelerate air flow, eliminate leakage and failure points, deliver 360° circulation in the cabin, and withstand environmental and road stressors that lead to reduced performance.

ZAMP SOLAR PREP

Passport units now feature quality ZAMP solar prep with outlets for solar panels on the roof and on side of the coach.

2021 FALL UPDATES

2021 FALL UPDATES

2021 PASSPORT – FALL UPDATES

The lightest of the lightweights, Keystone Passport consistently leads the pack in Keystone website views and inquiries. Known for its best-in-class storage and ever-so-flexible floorplans, Passport is rocketing toward 2021 with nine brand new floorplans and a completely refreshed line-up.

New & Noteworthy: Knockout New Interiors and Graphics

Passport's fall 2021 interior makeover is nothing short of stunning. Sleek, frameless Arctic Teak cabinetry has been custom designed for each floorplan to eliminate blanks and unusable spaces. Complemented with countertops with a sophisticated quartz pattern, linen embossed wallboard, and resilient vinyl flooring throughout, the new design is fresh, spirited and completely on-point.

Other interior updates include:

- Larger, 40" flat screen TV's (select floor plans)
- Optional fireplace (select floor plans)
- New Murphy bed system
- Shower pans with retractable shower doors (most models)
- W/D prep feature (select floorplans)
- New cabinet door glass inserts
- Optional 12v, 10 cu. ft. refrigerator (GT Series)
- New cabinet hardware
- Added bedside drawers
- Optional table and chairs (select floor plans)
- New sink faucet
- Added dinette drawers
- New blinds/curtains
- Hidden hinge cabinets
- All floor plans are now carpetless

New & Noteworthy: Best-in-Class Storage, Now Inside & Out

All Passports have been redesigned and engineered to create best-in-class interior storage that complements the brand's industry-leading exterior storage story. To do this, the brand relocated furnaces and water heaters, and also committed to a custom cabinet design approach that delivers maximum drawer and cabinet storage, and eliminates dead and unusable space.

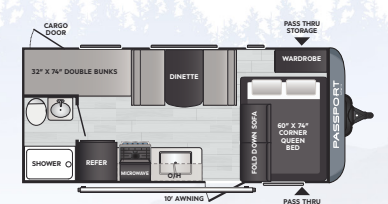

New & Noteworthy: More Short Models for First-Time Buyers

This fall Passport is not only introducing new, shorter models, each and every floorplan has been re-engineered to be as efficient as possible, including reducing length when possible. These new Passports are designed to delight the growing edge of the RV market—first-time buyers, singles and couples who are looking for compact, ultra-lightweight travel trailers.

Other notable exterior features:

- OTG solar/inverter Prep
- Exterior convenience center
- New two tone painted front cap (GT)
- Slam-latch baggage doors in front storage compartment
- Battery disconnect

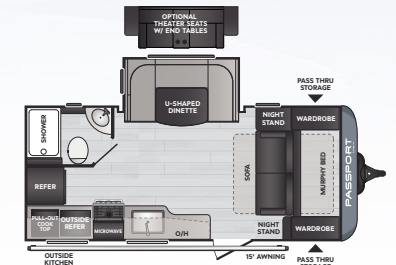

SL-SERIES | PASSPORT TRAVEL TRAILER FLOORPLANS
