Adventurer

Be One...Own One!

Adventurer Beautiful Interiors.

116DS - Maple décor

Adventurer's interiors have always been designed with innovation, comfort and quality in mind. Take the 116DS double-slide floor plan, shown above, featuring our industry first residential style reclining theater seating giving you all of the comforts and style of home while on the road. (replaces standard sofa). Note the exceptionally large windows allowing you a panoramic view of the great outdoors!

As you can see Adventurer offers exceptional interior qualities and features not seen in other truck campers.

Adventurer *Be One...Own One!*

Adventurer Galleys are engineered to please...

Galley 86SBS • Granite Décor

The 86SBS galley is one of the main reasons this floorplan has been our #1 selling slide-out model. Look at the abundant counter space, plentiful drawers and storage and the convenient counter top extension for additional counter space when needed.

Galley 116DS • Maple Décor

This new galley design in the 116DS is not only innovative in its design at the rear of this camper but allows you to keep clear of the everyday goings on in the camper giving you privacy and space to create an eloquent dinner or those camp site favorites. Also note this camper galley is usable with the slides in the closed/in position!

Galley 80RB • Granite Décor

This new floorplan has a very open galley design for an 8' camper. Note the L-design allowing you more counter space, all the while giving a wide open feeling, making the 80RB feel like a much larger camper.

Galley 89RB • Timberline Décor

The 89RB galley has been a hit from day one with all of the counter space, abundant drawers and storage. With the forward galley design and larger windows you really feel the open space while enjoying the great views outside!

Adventurer A Décor For Every Taste.

116DS - Maple décor

Adventurer Truck Campers use high quality durable fabrics to create pleasing décors that are functional and rugged, yet contemporary and easy to care for. These professional designer chosen fabrics coordinate beautifully with selected high quality wall coverings, galley and bath surfaces, flooring and solid glazed maple cabinet doors and drawer fronts to create 3 popular interior décor groups. Note the new maple interior décor with the rich leather style accents...this may be our most luxurious interior ever!.

Innovative Floor Plans Enhance the Experience.

- ▶ The **910DB** is another industry first with the Super-U dinette allowing you even more dinette space than in any other truck camper. With the new D-designed dinette table you have the ability to have all of your friends over with the u-shaped design, just flip the table around and now you have a more convenient face to face style dinette for those private dinner guests.
- ▶ Adventurer has as many innovative dinette designs as it has floorplans. The **80RB** below features a unique rollover sofa design dinette providing comfortable seating while dining, offers up a sofa design with the table removed and easily makes into an additional bed with an easy flip-over back.
- ▶ The **89RB** below offers a face to face style dinette you don't see in an 8½' camper and with the Dream Dinette™ Table your dinette makes into a bed with the flip of a lever and it doesn't have that annoying table leg in the way to bang your knees on.
- ▶ The **80GS** below is the industries only 8' truck camper with a slide-out also sports a large L-shaped dinette that wraps around the entire side and front of your camper giving a very roomy open dinette never before seen in an 8' camper...another **Adventurer** first!

Your Own Private Retreat

Adventurer's all new **116DS** introduces the industry's first California King Master Suite featuring a 72" x 84" Cal King mattress with roomy comfortable sleeping never before offered in a truck camper. Most other Adventurer bedrooms are equipped with a queen-size bed, and in most truck camper models, you'll find a residential-size Microfiber Pillowtop mattress for a comfortable nights rest.

Choose the designer coordinated bed-spread and pillow option (standard on most models) to accent the area when not in use. An oversized double-mirrored wardrobe closet is a standard feature in several models and will accommodate all your wardrobe needs regardless of season or length of stay. Also, additional storage areas keep other items close at hand. Individual LED reading lights are standard. The optional LCD Flat Screen 12-Volt TV's with Triple Pivot Arm allows a comfortable viewing angle from the bedroom or may be swung into position and viewed from the living area. Pleated pull-down shades are standard in every model and are used throughout the camper to offer privacy.

Enjoy Comfortable Spacious Baths

Adventurer Truck Camper bathrooms are spacious and designed for easy care and ease of use. Some models, like the 116DS camper, are equipped with a standard full roof skylight to add a new dimension of space. Custom designed full-height seamless one-piece fiberglass shower stalls are standard in most models. The **Adventurer 910DB** model offers the ultimate in convenience with ample storage, a separate tub/shower combination topped with a full roof skylight and plenty of room to maneuver in comfort.

80RB

Pound For Pound The 80SK, 80RB & 80GS Pack A Punch.

Looking for the lightest weight, full-featured fiberglass exterior truck campers for your half ton full-size truck? Well, you've found them! The all-new **80RB**, **80SK** and **80GS** incorporate many truck camper firsts! Special composite panels and building substrates, developed and proven in the automotive and structural housing markets, shed weight while adding incredible strength and impact resistance. **Adventurer's** Exclusive Tru-Composite Construction technique meticulously bonds these materials together, along with full closed cell block foam insulation and Lamilux 4000 exterior fiberglass to create solid and lightweight structural components backed by our industry-leading 3-Year Structural Warranty.

The **Adventurer** light weight line-up benefit from this process and other weight saving innovations, meeting the challenge of creating a self-contained light weight truck camper with interior shower, hot water tank, furnace, fresh-water foot flush toilet with holding tank, large refrigerator/freezer, and ample storage in our 80RB and 80GS. Our 80SK provides the largest useable space of any 8' truck camper and comes in as our light weight leader at only 1457lbs with standard features.

The unique 80GS with an electrically operated slide out galley area increases the spaciousness! Lightweight, affordable, a truck camper first and an Adventurer exclusive that you won't see in any other 8' truck camper!

Adventurer Exciting Features & Options.

ELECTRIC REAR AWNING

Enjoy the outdoors with Adventurer's all new (optional on most models) electric rear awning. With just a touch of a button you can open or close your awning, no more need for two people and with the built-in gas props it handles rainy and windy conditions reducing your typical cause of awning damage.

ELECTRIC PATIO AWNING

Adventurer's optional 8'x10' patio awning on the all new 116DS double slide truck camper provides you with full passenger side awning coverage for your camping enjoyment with ease of push button operation and wind/rain resistant durability, you now have an awning you will use and love!

DARK TINTED WINDOWS

Safety Glass Windows, standard on all models, provide additional thermal protection, additional privacy, glare-free viewing in the daytime and at night, and enhance the exterior appearance. Add the true gas filled Thermopane option to further enhance your all-weather capabilities.

COMFORT-STEP BUMPER® (optional)

An Adventurer exclusive, the Comfort-Step Bumper provides a solid, wide platform with multiple steps to aid in safe-and-sure entry and exit from the camper. Boasting the lowest ground-to-step height of any permanently attached system, it provides sure-footed access for all ages with the addition of the new non-skid Sea-Deck covering. The aluminum design is lightweight, durable and is an attractive addition available on select floor plans. The step conveniently folds up out of the way for travel and easy towing.

ABUNDANT BASEMENT STORAGE

A large basement is standard on most basement-style floor plans (top right), fishing gear, water skis and other bulky items are no problem in this basement storage with ducted heat! The Adventurer 116DS (top left), offers an extra large cargo storage bay with more storage than most motorhomes! Here you can store large ice chests, ski's on the left deeper compartment side of this huge cargo storage bay. Also note the easy access location of your 12V battery disconnect and your tank dump valves and convenient LED lighting.

GENERATOR

Onan® reliability. The latest technology provides fuel efficiency and on-board 110-Volt electric power wherever you go! Optional on select models.

FULL EXTENSION DRAWERS WITH BALL BEARING ROLLER GUIDES

At Adventurer our quality shines through right down to our full extension drawers with ball-bearing roller guides making our drawers easy to use, easy to access for that residential feel of home.

AM/FM/CD/DVD/MP3 & LCD FLAT SCREEN 12-VOLT TV

Optional on select models, both components are manufactured by Jensen. Designed specifically for the Marine Industry, these quality components are designed to handle hard bumps, knocks and are reliable even in moist environments.

SOLAR PANEL/DUAL BATTERIES

Go green! Equip your camper with an optional 100-Watt Solar Panel with Regulator available on select models. In conjunction with the standard Dual-Battery Compartment with Slide-Out Tray (select models) you can camp for extended periods "off the grid" and off the beaten path!

LED Interior & Exterior Energy Saving Lights

LED CLEARANCE LIGHTS

Better visibility, safer and a clean automotive finish.

EXTERIOR LED LIGHT

Brighter exterior lighting for enhanced safety and security.

LED TAIL LIGHTS

Automotive styling while reducing energy consumption by 8 times giving you longer battery life.

LED INTERIOR LIGHTS

Brighter lights and a longer battery life.

At **Adventurer** we use the highest quality Lamilux 4000 Gel-coat high gloss exterior fiberglass to meet our exact specifications to ensure our products are always up to our high standards. We use only the best building materials, from aluminum tubing to quality solid wood cabinet doors; absolutely no particle board is used.

- 1** Our composite fiberglass walls are constructed by laminating a welded aluminum tube or wood frame between an outer fiberglass shell and an inner laminated panel. The void created by these two panels is filled with closed cell block foam insulation.
- 2** All units use flush-frame safety glass radius windows with gusseted corners. Dark tinted windows are standard on most models, provide greater privacy and reduce UV rays keeping the interior at a comfortable temperature.
- 3** The heated enclosed holding tank area is insulated with reflectics. Heat ducts in the holding tank area ensure a warm area when the furnace is in operation, leaving the zone warm & dry at all times.
- 4** A sturdy powder coated aluminum ladder provides easy access to the roof.
- 5** Generous exterior storage space.
- 6** Tie-down brackets are bolted to the main wall and wing wall for extra reinforcement and strength.
- 7** Our front jacks are completely bolted through the wall corners to achieve a strong and stable platform when the camper is not on the truck.
- 8** The Happi-Jac® camper jack system continues our tradition of quality manufacturing. Providing over 34" of lift, the Happi-Jac® screw jack safely raises and lowers the camper with ease, ensuring optimum efficiency and performance, while enhancing the look of your camper. The unique concave footpad design reduces movement and offers improved stability over convex footpads.
- 9** Stylish graphics enhance the look of all Adventurer Truck Campers and coordinate with today's popular truck colors.
- 10** All external walls are insulated with high density closed cell block foam for all-weather insulation, sound dampening and structural strength.
- 11** Large emergency egress window.
- 12** Floor on overhead bed is TCC constructed and insulated for maximum strength and comfort.
- 13** At Adventurer we order our own exterior fiberglass to exact specifications to ensure our products are always up to our high standards. We use only the best building materials, from aluminum tubing to quality solid wood cabinet doors; absolutely no particle board is used.
- 14** A fully framed composite panel roof is fully load bearing and walkable. A one-piece TPO roof membrane with a 12-year limited warranty is tightly sealed and is standard.
- 15** Full front fiberglass nose wraps are standard on all Adventurer TCC® constructed campers, making them more aerodynamic and use automotive styling to complement today's popular trucks.

All weather camping with heated and insulated holding tanks (most models) when combined with the Thermo window option.

3-YEAR LIMITED STRUCTURAL WARRANTY

All Adventurer products are warranted to be free of defects in materials or workmanship for 36 months from date of delivery to the original purchaser and will be repaired or replaced, within this period, at the discretion of the manufacturer at approved service centers.

Any component carrying its own guarantee shall be covered under the conditions and terms of its manufacturer. This warranty does not cover damage caused by misuse, accident, alteration, improper maintenance or rental. Contact your dealer for details.

OPTIONAL:

Reclining Theater Seating
116DS only (Replaces Sofa)

Consider these important factors when purchasing an Adventurer Truck Camper:

How much weight will your truck handle? The payload capacity is usually posted in the glove box on most trucks. What is your (GVWR) Gross Vehicle Weight Rating, and (GAWR) Gross Axle weight Ratings? These are usually posted on the driver's side door post.

As the owner, it is your responsibility not to exceed the weight specifications of your truck when purchasing a truck camper. Always think safety first before loading a camper on your truck. Please consult your dealer, who can help you select aftermarket items designed to aid in proper use of your truck and camper combination.

If you need service on your Adventurer while away and you are not near an Adventurer dealer, just stop in at any reputable RV service center and have them contact Adventurer for authorization to repair your recreational vehicle under warranty.
